

from imagination
to possibility and from
possibility to perfection

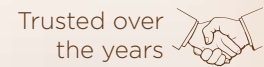

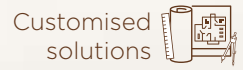

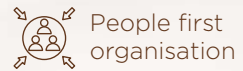

India's young and fastest growing modular office and seating solutions provider

At Spacewood Office Solutions - SOS, we are successfully converting the challenges posed by a new and unpredictable world to opportunities which bring out the best in us, offering world-class office furniture and seating solutions.

Behind SOS stands a Pan-India sales and service network; a manufacturing facility of 1,00,000+ square feet; a 300+ strong workforce and global standards and certifications.

With our knowledge base and expertise, you can be sure of products and solutions of the highest quality, reliability and safety standards.

SOS - your perfect and trustworthy choice.

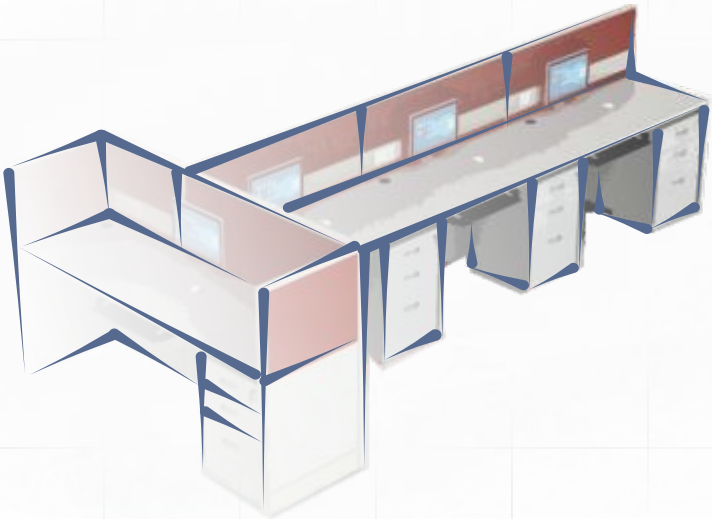

SlideSixty® makes your imagination possible. With perfection.

SlideSixty® is every space designer's dream, offering everything that modern workspaces need. With a combination of modularity, functionality and aesthetics, the design of your workspace is limited only by your imagination.

- Built-in raceways for seamless and hassle-free wire management
- Combination of frames, die-cast caps and trims provide joinery with good stability
- Seamless integration with 60/60 mm and 60/28mm frames help build versatile cluster
- Partition heights can be scaled up to 300mm by mounting 8 mm glass tiles on existing panels

SlideSixty® - Linear range
minimises your real-estate costs

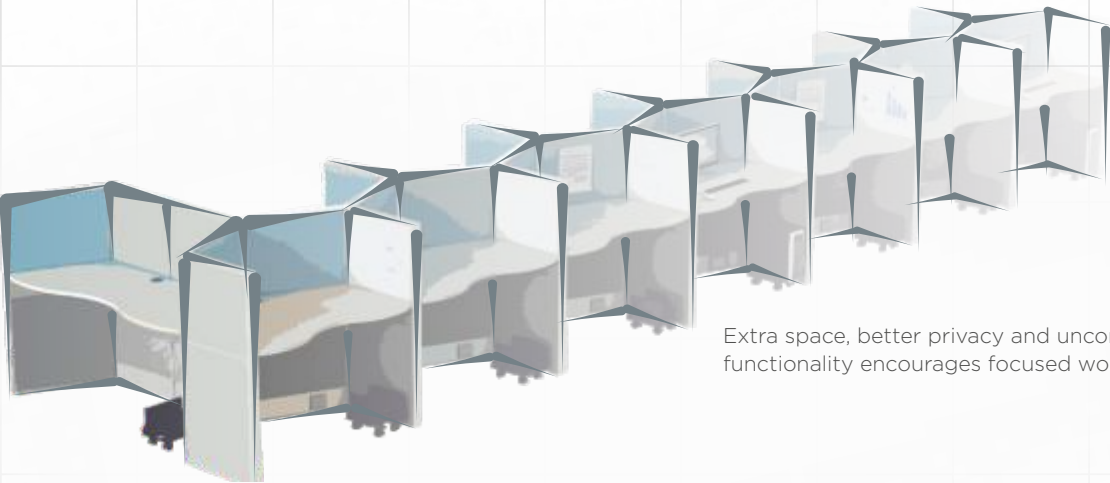

Linear configurations are designed to achieve cost effective workspaces while enhancing the number of seats in the available space and affording privacy with complete functionality.

Linear cluster with integrated team leader workstation for quick interaction between users

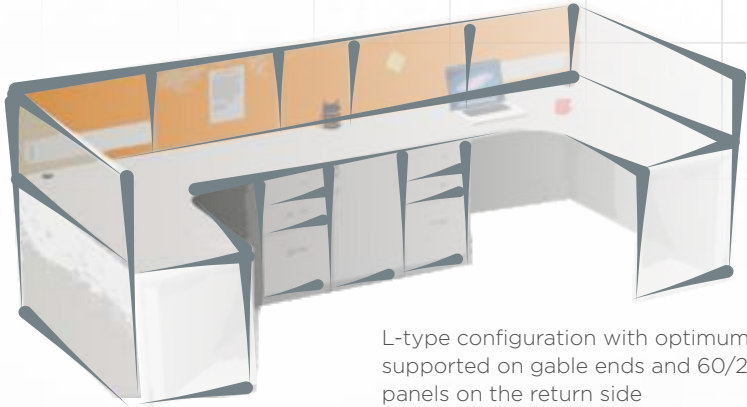

Linear configuration with privacy and easily accessible personalized storage

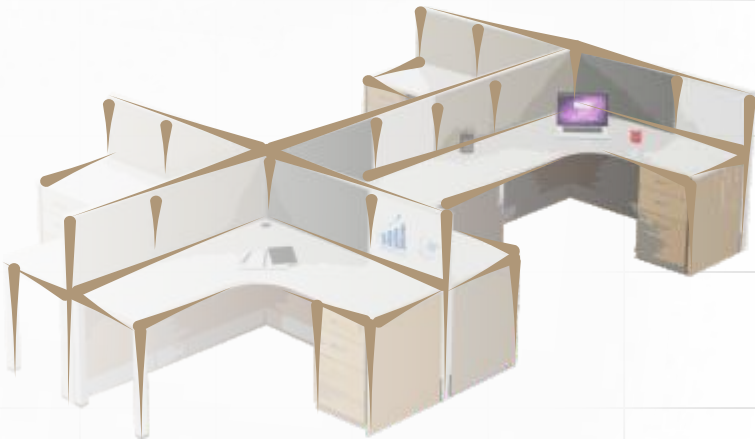

Extra space, better privacy and uncompromising functionality encourages focused work

SlideSixty®- Curvilinear workstations

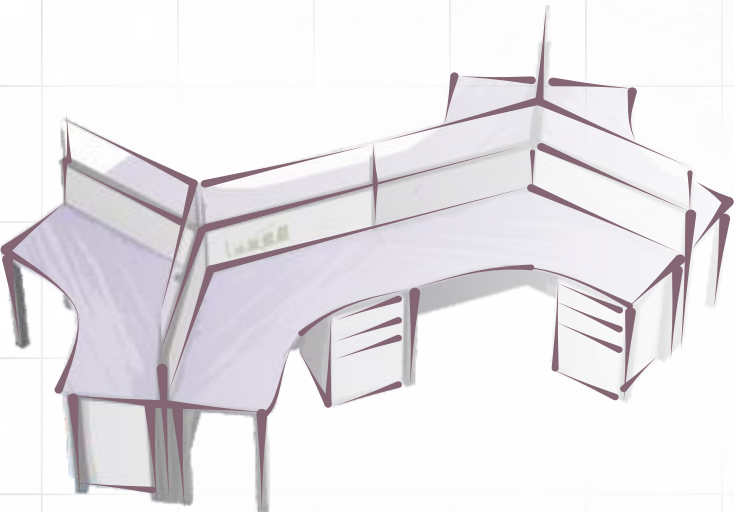

Curvilinear workstations help create spaces for individual privacy needs while providing a focused environment to complete specific tasks. A choice of panel colours and finishes add an element of style to the workspace.

L-type configuration with optimum privacy supported on gable ends and 60/28mm panels on the return side

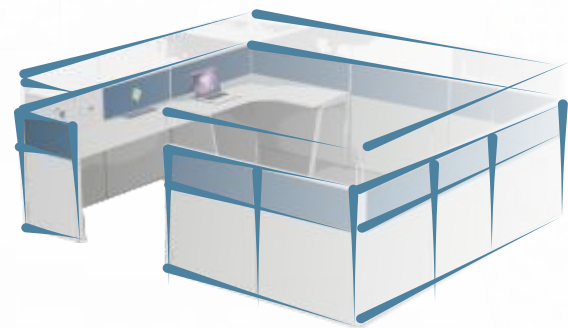

Curvilinear workstations with optimum privacy and space optimization through shared configurations

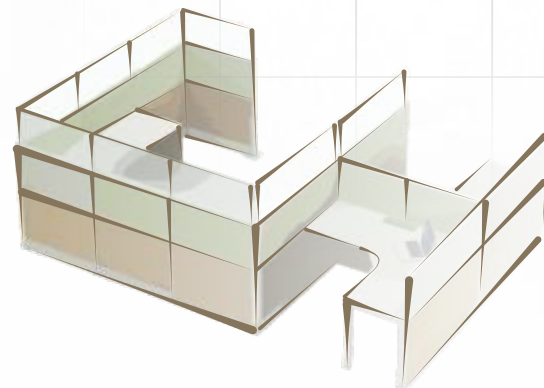

120 degree workstations with generous working and storage space for creative and intensive work

SlideSixty® - Cubicle range

Addition of glass panels above partition height in combination with linear / curvilinear workstations form a perfect cluster for teams.

Manager cubicles can be designed with various table configurations providing staggered heights of panels and partitions for privacy

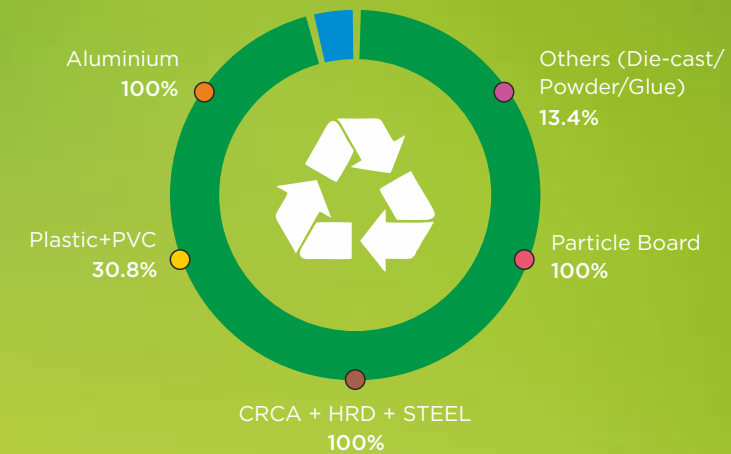

Cubicles can be seamlessly integrated with workstations enabling ease of electrical and data networking

how green can **green** be?

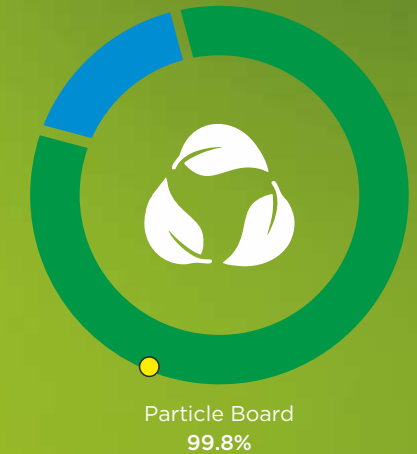

SlideSixty® shows you how!

SLIDESIXTY®
workspace perfected

99.75%
recyclability

79.30%
biodegradability

LEED (Leadership in Energy & Environmental Design) is a rating system for the design, construction and operation of high performance green buildings.

SlideSixty® qualifies for LEED credits for a number of parameters, notably materials & resources; recycled content; regional materials; rapidly renewable material and indoor environment & quality.

SlideSixty® is an IGBC certified GreenPro listed product. GreenPro is a product certification that guarantees the eco and environment friendliness of the product through its life cycle.

SlideSixty® is ANSI/BIFMA e3-2014 certified and is a product conforming to Furniture Sustainability Standards. The level of conformance is GOLD. This standard provides assessment criteria for carbon footprint, recyclability and biodegradability of materials used in the product.

Technical Specifications

Frame

- Combination of aluminium and CRCA in anodized / powder-coated finish
- *Provision for wire management - raceways above table / below table / at skirting

Three Module

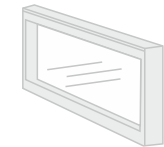

Height: 1440 / 1560 / 1680
Width: 450 to 1500 in multiples of 150

Two Module

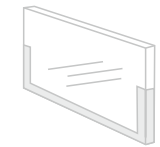

Height: 960 / 1080
1200 / 1320

Add-on frame

Add-on glass

Up to 300mm height above the frame fixed with crown section

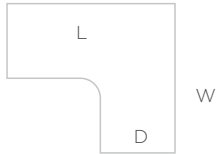

Table tops (Height-750, Thickness-25)

Linear

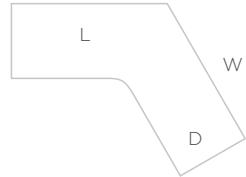

W: 1050 / 1200 / 1350 / 1500 / 1650 / 1800
D: 600 / 750

Curvilinear
